Dear Sir

In re Motors Liquidation Company, et al., 09-50026 (REG)

Having held stock in General Motors and having lost all value of said stock, I request that in fair remuneration that I be allowed the purchase of obsolescent vehicles or vehicles known as brass hats at GM executive (President or CEO) prices or less. This request is for the ability to purchase one or more vehicles at this price but not more than five. Since Saturn, Pontiac and Oldsmobile have been discontinued these vehicles should already be greatly reduced.

Sincerely,

A handwritten signature in black ink, appearing to be 'Rodney Huntley', written over a horizontal line.

Former Stock Holder
